

Mimi Leder's
The Peacemaker (1997)

Aspect ratio: 2:35:1

Day Two: style & technique

Why might Leder open in an elaborately ornate Greek Orthodox Church chock full of icons, chandeliers, and ceremonial ritual?

- None of us did. . . the world changes.

What attitude have the members of the Russian military whom we meet adopted towards S.T.A.R.T. (Strategic Arms Reduction Treaty #1)?

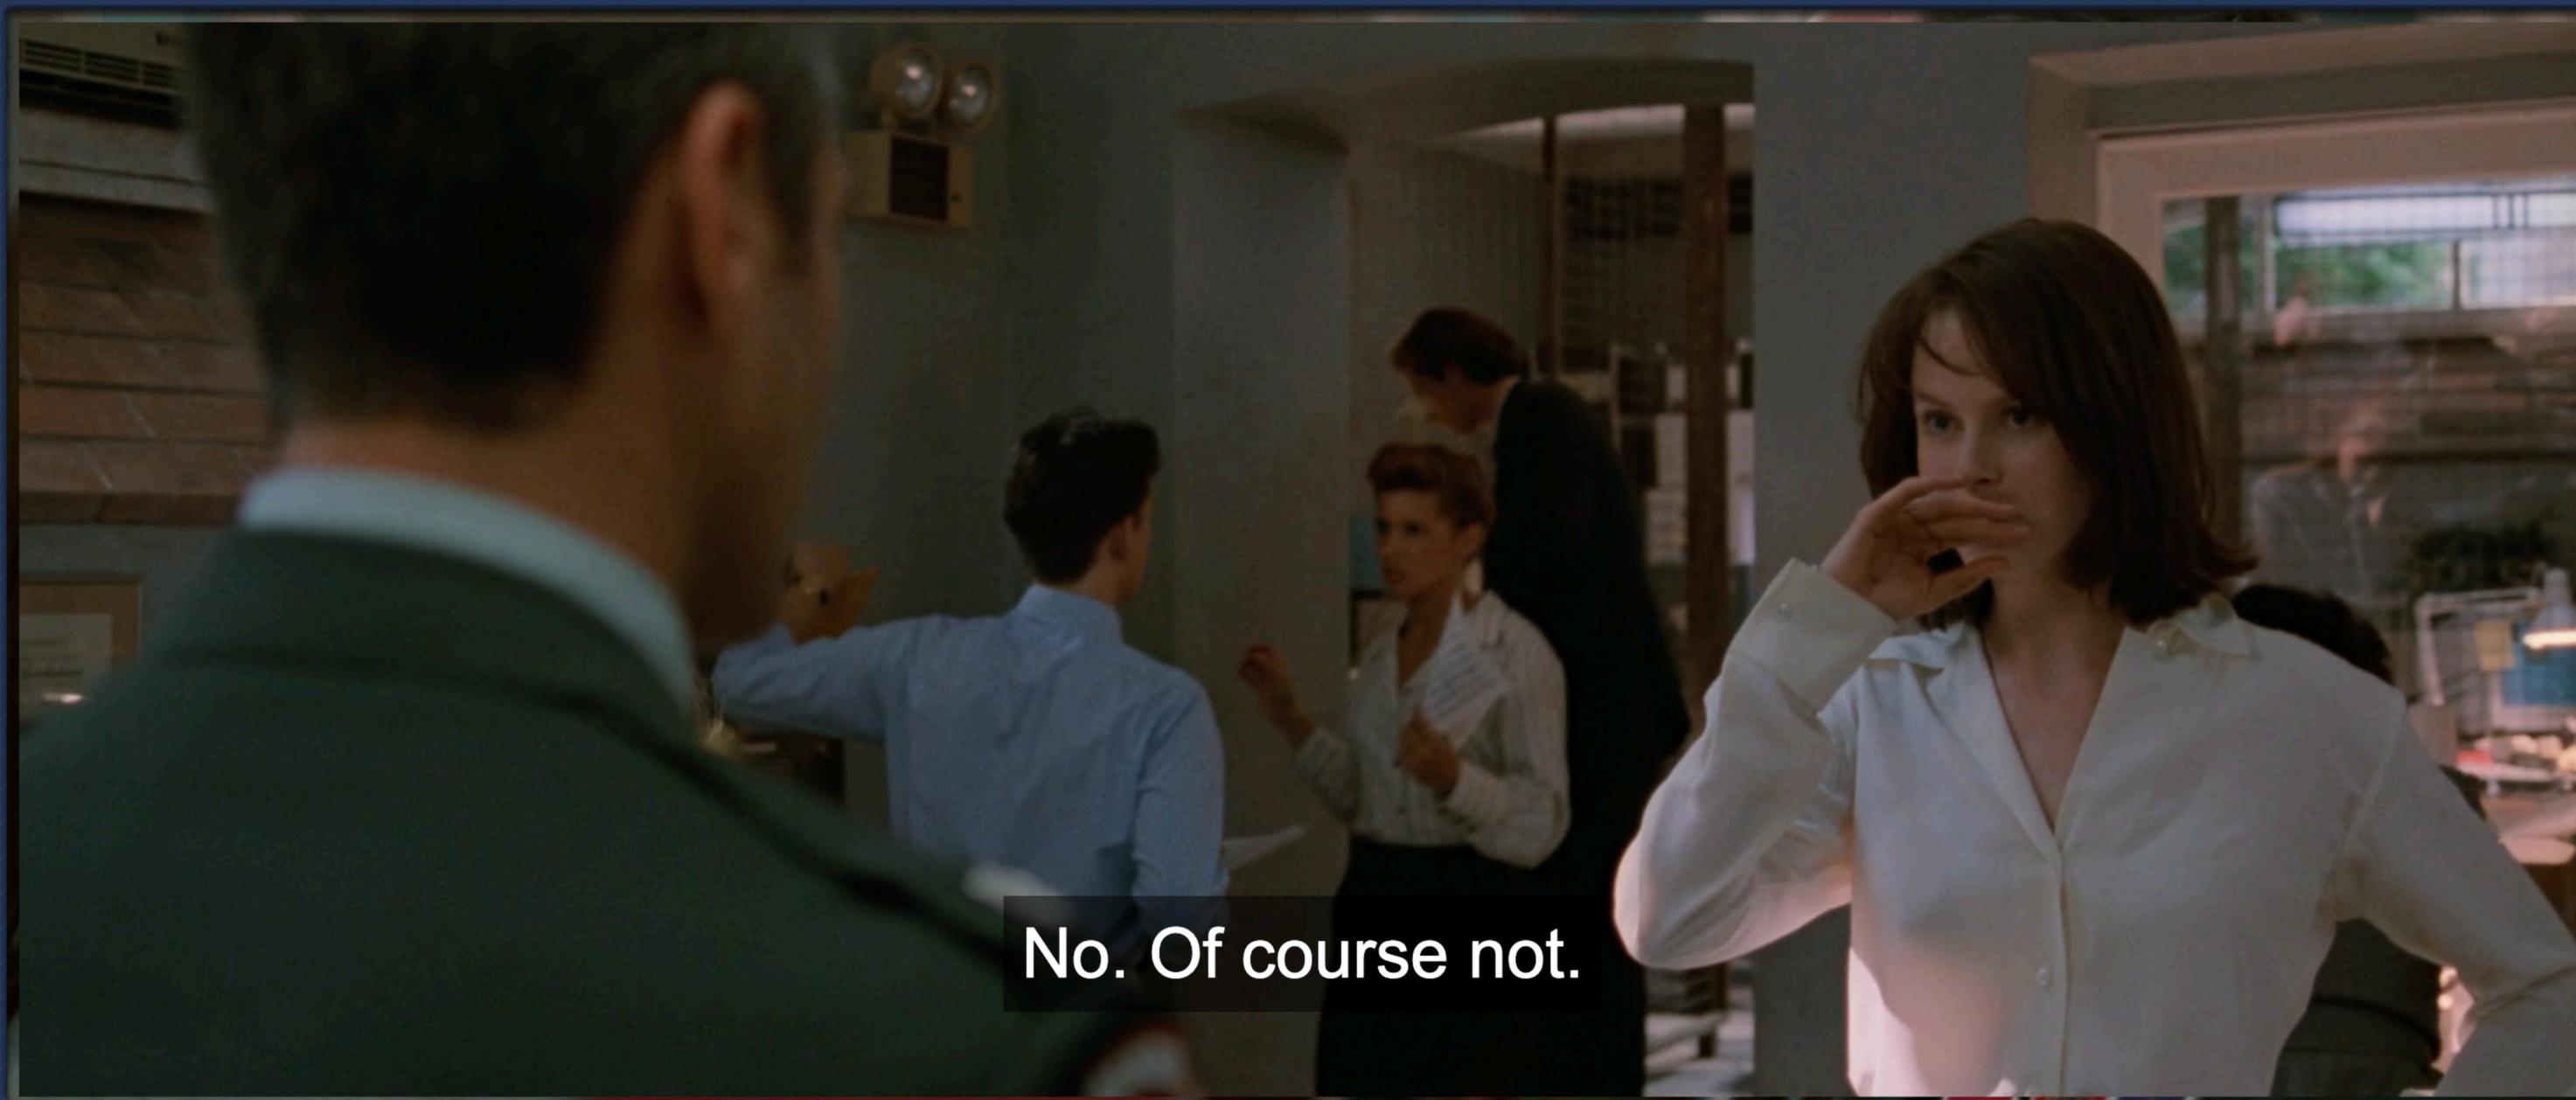

Why does the sequence involving trains
take place at night?

What sort of home does Leder place alongside the train tracks, and with what sort of folk does she populate the civilian train?

What does Vlado's reaction to Kodoroff's use of a bomb tell us about Vlado?

When Dr. Kelly tasks General Garnett with finding a military liaison with “intel background and Russian contacts,” she also asks for what other qualification?

Chechen leader since the
Russians assassinated Dudayev.

Do the global politics of the late 90s map
onto more recent geopolitical tensions?

Why does Dr. Kelly place the roses in the trash?

So first you build the bombs
to blow up the entire world

During our heroes' airplane conversation, they express different assumptions about what's driving the nuclear theft. Who is correct?

Sarajevo - Grbavica, Bosnia

What does our introduction to the Grbavica quarter of Sarajevo, Bosnia reveal to us about its residents?

How does Leder humanize Dusan Gavrich prior to his departure from the Grbavica quarter of Sarajevo (Bosnia)?

but the German
and Austrian late Baroque

What kind of art does *Mr. Dietrich Schuhmacher*, who schedules Russian shipping for the *Kordech* company, collect?

Madonna del Prato (c.1506)
Raffaello Sanzio da Urbino

Emperor Joseph I (c.1680-1690)
Benjamin von Block

The Minuet / The Carnival (c.1754-1755)
Giovanni Domenico Tiepolo
